# Segunda Chance Futebol Clube

*Young players cut at club trials get a second chance to prove themselves when a world football idol unexpectedly takes them under his wing.*

THE PROPOSAL

## In the land of football, being cut at a trial doesn't have to end the dream.

A scout travels to the trials of Brazil's big clubs looking for the talent turned away for lack of places. With first-class facilities and the mentorship of a world football idol, they form a team, Segunda Chance Futebol Clube, the Phoenix club, and set out to face the clubs that rejected them at the Copa São Paulo, Brazil's biggest youth tournament.

WHY THIS PROJECT

## A comeback story the whole of Brazil knows how to cheer for.

01 Brazil is the world's biggest exporter of footballers: 1,455 Brazilians play today in 135 professional leagues around the world (CIES, 2026).

02 The climax is already on the calendar: the Copa São Paulo brings together 128 clubs every January and is Brazil's biggest showcase for new players.

03 A world idol as mentor brings international reach and sponsors, and the team lives off screen: crest, shirt and fans become a brand and new seasons.
